

Sunday, June 14

165 DAYS PAST

200 TO COME

The Tonic Trio.

At times a suitable combination of iron, arsenic and strychnia seems to give better results than when these agents are prescribed separately.

Rx. Liq. Potas. Arsen. (Cc. 4.0—8.0)5i-5j
 Strychnia Sulph. (Gm. 0.02)gr. 1/4
 Pepto-Mangan (Gude) (Cc. 330, Orig. bottle)3xi
 M. Sig. Tablespoonful after each meal. Children in proportion.

Weather

Temp.

Very cold, Eugene
 is going over to the north
 place. Mabel Alves came
 to. This afternoon Eugene
 came back & Aleta with him
 & stayed to tea. Nellie & Margrett
 standing came to see Maude
 & to tea. Maude Eric & a flower
 & the little learn girl came after
 Sunday school was only here for
 a few minutes. Mrs. Wan also
 here for a few minutes
