

Mr James Cameron Island 4th May 1892
Fine very windy The Fishermen went to
with a Load of Fish The Cultivator
came up first Trip The Serbone
came up Monday Finished Planting
the Piece of Potatoes above the house
The Massena into Salmon River
her first trip putting Manure on
the Lower Piece of Potatoes cutting
Potato seeds and Fixing the Rest of the
Potatoes in the cellar High High Wind
cannot say if the Grenada came out today
5th Fine Moved the Cook-stove to the Cook Kitchen
put out the Double stove putting out
manure on the Lower Piece Began
to Plough the Piece for the Potatoes
Cultivator went Down a Raft Journey
Down 1 of the Sheep a Lamb had
to take it in the house as it is cold
Jack went to Montreal yesterday
a Fox on Alexis Island Stanley and
I for a Load of Drift Wood 6" Ploughing
the Garden taken stones to the River Fine Cool
and Windy 7th Windy Cool Leander crossed
Bought of Mr Ward Soap salt
Fishermen to Butter 25 Lots of Souring

Mr James Cameron Island 8th May 1892
Randolph and Willie Rose here Narcisse
here Fine The girls and Stanley to
Lesnays and Lewis 9th Fine Day warm
Planted and Drilled the Lower Potatoes
Narcisse started for Montreal
Drew some Rails to the Garden fence
working at the fence cut some
Brush for the fence painting
The White Boat took a very
Bad Pain in my Right Breast
to night and its awful sore took
Railways R R R 10th Fine in Bed
very Bad with this Pain eat
hearty & Wind not working today
11th & Wind commenced to Rain cold
fixing the fence in spots a Lamb today
The Seck a Running Lye Making Leander
a pair of Pants not well this Pain
I have it yet and my Tooth is
Bad 12th & Wind Cool Rained Found
a fine Large Pickered at the shore on
Land drove up with the Wind a Mock sun
as the Sun was near Down Narcisse
fixing Leander saw Mrs Ward
Departed Mr Hills Daughter Rebecca
