191 DAYS PAST TUESDAY 10 175 TO COME

Nurses should be instructed not to massage the limbs of patients who complain of pain after operation or confinement without the order of the attending surgeon. If phlebitis and thrombosis are present, the manipulation may loosen a clot and cause instant death.—*American Journal of Surgery.*

Pepto-Mangan (Gude) is never sold in bulk or in tablet form.

Rained some of day & was rather cold. I was down to Frank Kellies & this I brought one of his ten framed Lewis home & sections. Maude road out to Aymer to night with George Davis. Fr Boyde Thompson was here this afternoon & for tea. John drew two loads of gravel, & has been cutting this till. Mrs Dance was here a few minutes. Morris Collins was out all day. Mariah 9
