

June

THURSDAY, 2

1921

Jack and Brock drawing out-manure
pin forenoon. They Jack cultivated
the 4 ac. behind lay driving house
in afternoon & Brock at maple.
Jack over to Rods to telephone.
Fine but looking like rain.

FRIDAY, 3

Jack chopping in forenoon and
Brock choring land, clearing
pens. Spread ashes in afternoon
and threw out some nose of line
fence between Watt cus.
Jack over to Burgess in a.m. to telephone
Heavy rain through the night - his
Friday and dull. mother

SATURDAY, 4

Brock working at line fence
himself and finished it. Jack took
the day off. Took Wiley down to pump
about eight a.m. and brought her
back about 2 p.m. His mother came up
from Hamilton. He never came back down.
I knew where he is. Brock & I to town
Fire and coal. at night.
