- June 30th. Finished planting potatoes in creek field about 2 acres mostly Sir Walter Raleigh variety. Started to cut Lucerne Clover and went to R. Atkins in the evening to see Nelson, Pelman.
- 22nd Sowed about 2 acres of turnips next electric track mostly Keiths Prigotaker variety. Went to Mr. Angus in the evening to help make arrangements for a union Picnic.
- 23rd Went to Pelman for a little while in the evening and also called on Mr & Mrs Barrett to say Good-bye before they left for Prince Edward Island.
- 26th Started to draw in Lucerne Hay and went to meet Nellie in the evening.
- 27th ● Rather a wet day, fixed fence around Cummings place for the colts. Nellie and I drove to the bush in the evening calling at Mrs Griers.
- 29th This was P. M. Election day Scott Davidson and Mr Westbrook being the candidates. Davidson was elected by a majority of 46. Drove to Brentford in the afternoon, going to Cainsville with Gordon where I got a good harness and blanket and a fairly good buggy for \$8.00.
- 30th Nellie and I went a P. M. picnic in Mr. McKeague bush. The day was fine and was a real nice picnic. Drove Nellie to the Glen at night.
