

Jan 9th. Cleaning up in front of
the house. Got cat back
they claimed down shaft
best & years stuffed in
rear end. cost \$42.00

Jan 10th. Stiff this morning
after raking the yard,
played shuffle board
again. guess we will
have to join cost \$1.00

Jan 11th Sat. started for
Daytona Beach - started
out No 3 highway going
north. the same way we
came here at first.
The first place is Winter
Park about 5 miles it
is a quite a nice place
some nice homes there.
then a small place called
Maitland around here
they grow acres of ferns

they have a lattice work
roof over them and
side around them the
same some have acres
in one block all covered
they ship the ferns
north at this time of year
the next place is
Sanford. and the other
side of it. there are
thousands of acres of
celery. at all stages
of size. some just planted
and some ready to
ship. we crossed the
St Johns River then and
on to ~~De Land~~ Orange
city. was there one time
when we were here before
20 years ago and waited
half a day for a train
one house / and a station
