

he was at it all day and finished up to night
I didn't do any thing much this morning but
Ceah and Lib. drove to the L. E. & F. tracks where they
were loaded with the rest of the family for Scotland
to attend the silver wedding anniversary of Aunt
Harry & Lizzy Langs. Dad. walked down to Auntys
a little before with some cream and came up to
the car with Aunty she being the only representative
from that house hold. All of Hubys family went but
Winnie, and Cousin Clare represented the Langs
portion of the family in Dover. They came back on the
five o'clock car all except Huby who had to go back
after his hat and who brought Clerk Langs and Marion
his daughter down with him on the nine o'clock car
They had a great time and a very hot day and
I guess there was an army of folks there. I spent
the after noon cooking hay north of the orchard
but didn't finish. Roy came down to night with
the bunch from Brantford. I went down to the dance
to night. I intended going to the picture show
first but ran into the Miss Dunkins and they
wanted to go to the dance right away so I went

with them. we picked Clark up over there and had
a hot time of it. I hardly missed a dance but it
nearly killed me, the lake flies were bad too. Frank and
Ceah went down to the show. Another very hot day.

Sunday July 30th

I went down early this morning to see if Roy
wanted to go for a swim and found him in the
pond at the foot of the hill by the bridge with Vernon
and Rebecca. they had an extra bathing suit so
I went in with them. Aunty took Rebecca home after
she had a dip, she evidently enjoyed her self
immensely. I went up to Auntys with them and
got dressed and then tried to go to sleep but didn't
have much luck I didn't go to church but just
lay around I did get some sleep. Ceah drove for
down and I left her up outside the house and Dick
drove her home. I stayed down there and we had dinner
about two o'clock and then I went up to the Park as
the Miss Dunkins said they would be there with a
lunch I found them alright but Clark had missed
them and gone in bathing but he found us later on
