

coming strong had
Los Angeles until we
went to bed.

Jan 21st Exh. fine winter
day. bright and not
too cold, but not
thawing any.
Smith pruning some.

Jan 22nd. strong east
wind. tried to find
out what was wrong
with big drain, no
success. still blocked
water from mammo drain
running over top of
our field.

Jan 23rd. Don's home
with a cold. Alan also
has one. went visiting
Geo Hammonds last
Saturday, and they

brought it home with them
starting snowing again
tonight.

Jan 23rd. Cooler this
morning a few inches
of snow. Drifted, some
places none - making
out order for seeds.
