at fence with binder it did not work well. Mr and Mrs Crow in P.M. the girls did not see them they were helping with corn. The two men from Salt up in auto to see Rogerson in P.M. to see if we know where Rogerson was one was named Cowan.

4

## Wednesday

Fine sunny day. We cut the along fence row in No 1 E with mower gathered 2 loads of it and cut it into silo then put leavings on top of that again thus finishing silo filling. Mother, Mr & Bella helped us put carriers away also put on barn doors. George K. Kanger in A.M. about town. Mother came up to-day stayed all night.

5

## Thursday

Fine sunny warm day. Bob Lindale got land four potato diggers to do his potatoes to-day. We got corn plow rigged up and plowed in No 5. 4 horses. We hauled binder into barn put stock rack on wagon etc. Willie drove mother down P.M. she stayed down they went to church Mr Crow preached. There were 4 babies christened Stewart Myers Fernald  
55 Putnamford. Warrens & Winters joint church. Willie got gasoline at Nichols \$1.20 meat at store 45  
21 125 rings & hills 10cts to be returned collection 5cts he deposited Miss money.
