

199

1 Jan is having a lot of work to do as a lame
back can do very little

2 Jan is continuing to do his work

3 Jan is having to do a lot of work

4 Jan is going up the river with a boat
Chas is going to go away with the

Jan went to the river with a boat
I got his boat and his daughter & Susan

5 Jan went to the river with a boat of pick vickers
Robertson his daughter Susan & Lennie was
Jan went with him they went to the Bay very heavy rain in the
to go and see rain this morning dull boring day the carpenter
this morning finished the house in the morning they have been 2 days
home working at the shipyarding & carpentering

6 W. Gilles preached at night I went to Kingston

7 Jan came home this forenoon I may say that he
has lost 2 days & Friday¹² Monday¹³ Sunday¹⁴ I went to the
Presbytery to Bellville the Rev W. Shena resigned his charge
here to the Presbytery he has got a call from Brunswick

8 I got home in the express all well the crows has took
up all our potatoes they are planting them over again

9 finished planting the potatoes & began to mow a
mowed a little in the orchard

10 finished cutting the orchard and cut a piece in the
north field west corner Pine day

11 raked up the orchard & drew it in 3 small loads
they raked & cocked up the piece that was cut
Saturday it is too green to draw in

12 forenoon went to the river
the forenoon I am home with the

13 Rev W. Shena preached this morning

14 I pointed some Jan boxed some hales on the
River side of the middle field I went to the Presbytery

15 Jan is having a lot of work to do

16 Jan & Susan went to the Bay I am home
Jan is having a lot of work to do
