19 July 1878. Wofford
" Put one load of hay on the top of stack and that finish our haying on our own farm
John F. Coolidge mowed yesterday afternoon on Uncle Hughs back piece for me and is there today. he finished at tea time. Henry and raked and put into the barn 5 load of hay and raked 6 big load more
20 Had Henry Nathaniell today drawing in hay on Uncle Hughs back place; put in 6 load in the forenoon and raked and put in 4 in the afternoon. Cooler today
21 Rev Mr Phillips preached today & was here for dinner & Henry went to the coast to hear him in the evening

22 July 1878 Wofford
Finished mowing today at a little after noon. Rained a little. Very cool today. Went to mill today. Got Head Stone for Margaret.
23 Henry went down to West Winchester for Rosa & sent oats in the AM & PM and I went over to Uncle H's back farm and finished haying. Had one load in the barn cool and pleasant
24 Cutting oats out in field at point. Short and thin. Beautiful day. Ros Henry & Rosa came home today. Rev Mr & Mrs Phillips were here for tea. Bound and stooked 360 sheaves Oats.
