

May

THURSDAY, 9.

1872.

Brought and clear and
pleasant but Windy
I went to Brysons
Place in the after
noon Master Emery
was here

FRIDAY, 10.

Brought and pleasant
I was digging my Selva
William Sumnerville
was asking hands
for his New Master
of Emery went away

SATURDAY, 11.

Brought in clear and
pleasant digging my Selva
in the afternoon I went
to William Sumnerville
New Mary Bryson
stopped all night
heavy shower of Rain

May

SUNDAY, 12.

1872.

pleasant but cool
Office and myself
Went down to the
point came back
in the evening John
Bryson and William James
was here

MONDAY, 13.

cloudy in the Morning
But cleared up as the
Day rose I went to
down to Norton

TUESDAY 14

Clear and Brought
I asked hands to
a plowing by Miss
pierce was here
