

May, 1931.

16 Saturday. Thunderstorm & showers. Cleared up tonight. Walter went to Elmira this morning and stayed all day.

17 Sunday. Perfect day. Clear & cool. We went to church & P.S. this morning and Rev. E. D. Becker was here for dinner. Walter, Mrs. & Mrs. Brownaw spent the evening at Grandpa Maurer's.

18 Monday. Fair. Vernon was cultivating all day. Walter went to Elmira this morning. Ezra & Bert came over today to get seed potatoes and were here for dinner. Ella worked in the garden and planted cucumbers, beans, cauliflower, poppies, burning bush, garden geraniums, asters and nasturtiums. Ella cut the potatoes. Joe Hall lost the key of his car tonight and came here for help so Walter towed him home behind the coupe.
