

It was a lovely day & the
collections were $\frac{18}{5}$; 18.

March 7. - Mon. - We churned & washed
a little. Laura was
over this p.m. also Mr.
A. Lockwood. It snowed
3.30. p.m.

March 8. - Tues. - It is a nice bright
day but much colder.
Henry is sawing down
to Warner's. We went
to our Anniversary
social at Mr. A. P.
Bissell's this Eve & had
a fine time they made $\frac{18}{10}$
Mary Warner came home
with me & stayed all
night.
