208 DAYS PAST

FRIDAY

158 TO COME

Gastric Aphorisms.

Mucus which has been swallowed is not incorporated with food stuffs, that which is gastric in origin has the appearance of having been triturated with the food.

Pernicious anemia from prolonged auto-intoxication, and chronic gastritis are, like cholelithiasis frequently met in large, apparently well fed individuals.—*Bell; Med. Herald.*

Weather

Warm

Temp.

Melba went to Ashmun, Maudie
& I took off several ^{hundred} pounds
of honey. Cecil was here
a little while & he borrowed
Maudie's wheel to go down
to Clarence Shimmers. Maudie
& I went down to Jesse
Marchant's & took her
some honey. John dress
manure
