

Sylvan Park. some very nice  
flowers etc. then we went  
to Smiley Heights had a  
walk up part of the way  
very pretty views of Redland  
from there. arrived home  
at 6:30 P.M.

July 20th. Dean & Sarah arrived  
down here to visit us at  
noon today. had a walk around  
the park. and drove down to  
Fairmont Park. the lake was  
spoilt as they are letting the  
water into the park. went to  
the Mission Theatre & saw  
the picture name The Man.  
had to take his car around  
to a Garage. Mr. B. would not  
let us put it in the back  
yard, on account of Renting <sup>his</sup> Garage

July 21st. Dean, Sarah, & the rest  
of us started about 10 o'clock  
for San Bernardino - we stopped  
at Urveta Springs Park. had  
our lunch. took some pictures  
it was nice, with a large  
artificial lake. also a large  
building with a Sulphur  
Hot water spring inside,  
use for bathing. We then  
went on a little farther down  
the road to the orange show  
they had a tent full of  
orange & Lemon exhibits -  
some of them very fine  
and built mostly out of  
oranges. San Diego Co. showed  
the bridge entering Balboa  
park. The real bridge is  
130 feet at highest point.
