

Church this morning. Mr. Anderson of Union College, brother
Aunt, Aunty Alice & Aunt came over with us for dinner
and Aunt went back about five but Aunty & Aunty Alice
stayed to tea. Dad & Enah went down to Church with Aunty
Alice and Aunty stayed with us in case Sid would be
till Enah got home from church & then she drove her
down with music. Mark was in this evening for
awhile. Sid was up to day but looks a bit pretty
peaky yet. Frank was visiting various maids all day.

Monday May 9th

Frank finished the field with the spring tooth this morning
and then I took the roller out with the little team and smoothed
up some of the worst lumps. Frank followed me again with
the spring tooth and this afternoon Dad took Billy & Harry
out and disked, we think we will have it in shape to sow
to-morrow afternoon. Frank and I cleaned up some more
seed oats this afternoon. To-night Mary & I went down
town. she went to the Girls auxiliary and I went with the
Band up to Dr. Lemmon's. We took him up a wicker chair
and spent a very nice evening. We played several pieces
then had Lousany & well sang & had cake & coffee. Hot & dry wind.

Tuesday May 10th

Dad finished disking this morning with Harry &
Billy and Frank and I cleaned up ~~some~~ more seed
and heated it and then took the little team and went
over to Drey's where we got another bag of hay. This after-
noon I harrowed over the field and Frank followed
me with the drill and finished sowing by six. Tonight
Enah went down to a meeting of mason's wives to help
figure out way & means of entertaining 250 masonic
visitors who are coming next week. Fine with dry wind.

Wednesday May 11th

Frank started disking the big field east of the old
garden this morning and worked till noon when Dad
& he ran out to see how in the cam stubble as it
looked a little rainy and wind went on disking
this afternoon with Harry & Billy. came up at five o'clock
chose but Frank took the team till six but didn't quite
get over it. we have been getting good long days in lately he
gets his own breakfast and is out with his team by seven. Dad
and I cleaned a ditch in the field back of the barn this afternoon and
I finished this in noon. Mary & I got some narcissus bulbs to- night
down in the rock in Mrs. Prather's. Cold wind all day.
