

1920.

very hard in afternoon. Made a try for  
Armenian tag day for Cavell Girls Club.  
Ripped silver trimming off Don's  
yellow evening dress to see if it would  
do for my purple dress. Wrote an  
address for the Ladies aid who are to  
present Mrs. Dyer with \$100 to night.  
Charles, who is going to Walkerton to-morrow  
morning, gave me some dictation after  
tea. Then typed address to Mrs. Dyer and  
went to Maurice to a meeting of Cavell  
Girls to get ready for Tag Day on Saturday.  
About 8.30 14 members of the Ladies aid  
arrived, the Girls' Club went home.  
The presentation was made and  
address read and Mrs. Dyer replied  
in very short speech. Mrs. Dyer replied  
somewhat more lengthily when he  
came home from Boys' meeting. Had  
a regular breakfast evening. Came  
home about 11.30 - Snowing hard &  
snow getting quite deep. Charles in bed.  
Got to bed at 12.50 p.m. Slept outside.
