

**Tuesday, January 27**

27 DAYS PAST

338 TO COME

**When.**

**WHEN** a medicinal preparation has been before the medical profession for twenty years;

**WHEN** it has increased in both sale and prestige, year by year;

**WHEN** it is acknowledged to be the standard in its special field;

Is it not safe to rely upon it in suitable cases?

Such a preparation is **Pepto-Mangan (Gude)**.

**Weather**

*Thawing*

**Temp.**

*tar*  
Snow nearly all gone. Washed  
to day. Eugene took the girls.  
John & Mark went down to  
sheds again & they wasn't  
home so Mark came back  
with John. Eugene has  
gone to Mr Ashtons to try  
& buy a beef. I went for  
the girls. Lydia went 6  
miles Bill's. Eggs 75c's  
*beds*
