219 DAYS PAST

146 TO COME

The Ideal Hematinic and Tonic

should be one which is free from irritant properties, and so promptly absorbable and assimilable as to render it generally eligible and acceptable as a reconstructive in anemic and generally devitalized conditions. **Pepto-Mangan (Gude)** is just such a product, and no harsh or untoward action is ever noted from its use.

Weather

Temp.

Very warm, commenced cutting our oats yesterday afternoon & have been cutting all day had three horses on the binder, Maud & Mella was at Mrs Abells for the afternoon & tea. Mella road her wheel & Maudie road with Mr Mc Colley & the girls brought her horse, Mrs M^r Loy, Maude & Mrs Campbell was out a little while, Eugene drove Lydia for the first in nearly seven weeks Billy & I worked all day Lydia &
