

- Wed Apr 23. Fine bright warm day, patched paper around Bay window  
Aunt Nellie and I at Wax Works at the Hall.
- Thurs Apr 24. Very cold, north-west wind, and freezing. Butter 65 cts
- Fri Apr 25. Fine but very cold, extremely cold for time of year.  
freezing and blowing, we were afraid of Radiators.
- Sat Apr 26. A fall of snow last night and still blowing, quite deep  
in places, not freezing so hard, ~~So~~ Annie Smellie and  
Marion called, snow nearly all gone by night, Mary  
Watson called in evening, Recd. cheque from Ottawa V.B.
- Sun Apr 27. Fine bright morning and much warmer, Aunt Nellie  
and I at morning church, we all went to evening church.
- Mon Apr 28. ~~Rained~~ <sup>most of the day,</sup> a little chilly! Aunt Mattie and I have bad colds.
- Tue Apr 29. Fine but cool, we washed as yesterday was wet, Aunt  
Nellie and I called on Mrs McDonald and Mrs Lee,  
Annie and I walked out to see Marjorie in eve,  
roads were dry, but very rough and cut in places.
- Wed Apr 30. Fine bright day, we got two tons Coal. 11.50.
- Thurs May 1. Rained heavily most of the day, then cold, very  
little weather for seeding.
- Fri May 2. Fair but dull and windy, I went to Toronto, at  
Aunt Lizzie's for tea.
- Sat May 3. Fine at first, I went for Aunt Mattie's clock \$2.00  
called at Misses Page, it commenced to rain  
in the evening and fell a lot in night.
