Nov

20

Rev. Mr. Millard preached here this morning fine day

21

Ad went to Sand Bay and brought a load of fire for Wallace furnace in day the road getting better

22

Ad went to Sand Bay to get ash saw logs called the morning with a little clearing snow winds from the North East and getting colder

23

this is a very cold morning bright and clear Ad is at Sand Bay he did not come home last night

24

fine day rather warm for the roads

25

to good deal colder than it was yesterday

26

a little rain last night there is about two inches of snow on the ground this morning but it almost ice its so hard you can hardly see your track on it it makes splendid sleighing

27

Ad came this afternoon he saw some logs to the mill the road is good

28

Rev. Mr. Millard was not able to preach he got a student from Kingston was Mr. McNeil he preached here at night

29

we cleared up 12 bushel of wheat and Ad took it to Escott Mill he did not ^{get} his great back with him

30

Ad went for the goat this morning we cleared up another bag of wheat for cricket wheat and he brought 12 bags of feed for the cows a good of home from

31

it was barley

32

Ad went to Sand Bay to get out more saw logs fine day but very cold

33

fine warm afternoon pretty cold this morning
