April 2, 1907.

Dr. Helen S. Moore, Toledo, Ohio, says:

"I not only made use of the bottle of **Pepto-Mangan (Gude)** you sent me, but have prescribed it in several cases—one case of anemia, who is on her third bottle, with marked results. Also in case of nervous prostration. Am very enthusiastic in the use of **Pepto-Mangan** as a tonic."

Snowed. Hellen & Elva  
Stewart, Selma & Doris
