

Sarah. I went to prayer meeting in evening.
Enjoyed it very much. Mr. Ferguson there.

Wed. 25th. I was picking cherries when Mrs. Ferguson
came after having left Mr. F. at station to go to
Hamilton. E. M. brought him down with him
at noon. They stayed for dinner - had quince pie.
Then went home - took some currants, gooseberries
with them. ^{to} Had prayers before leaving.

We were in Herrinlets last night to prayer-meeting
& as we got in Mr. Fier's buggy (he overtook us
going down, we also rode back with him)
mine flew up below my dress. Don't think
he noticed - hope not anyway.

Thurs 26th. Picking H. currants. Mrs. Lucas
Jelly & Arty came after dinner. Their son
James came. Walter Shurdan drove his down
but did not come in. Sarah & I went to
Ingledeus in ev'g after dark. Edith, her ma,
& Aunt Harri Buck came to Church corner
with us. When we left them we heard
John & W. Spies returning from Oakville.
John had been to Dr.'s. The M's. went home
with Mrs. Lucas. We went to tell them & come
& help pick currants & raspberries.
