1847
oct 16 I intended to treat of A & Kavanaugh & Chandler
Stephenson James Kavanaugh & Sanders of the Peace &
Worship [illegible] & Chilton Mr Hutchison
the parlour was finished in 20 days & boarded 30 days in
[illegible]

17 A went to the cattle to day and Wallace
worked at the cellar part of the day it was so windy that
could not work I went with Mr Edie over to Thompson
18 Mr Edie went to Fairfax with & Cochran last night
rain he intends visit them till Saturday I fixed for raising
the time A & got out some hemlock logs for joice for the kitchen
Stormy 19 rain with a little snow mixed most of the day
rain no work all side I mended some boots & shoes
20 Rev Mr Garrett preached this morning Mr Edie at night
21 Hugh McKay Wm Connett came to build the
cellar wall & John Gammel attended on them
A & Wallace drew Stones I helped all I could
22 they all worked at the cellar Thomie Connett
came for to help to place it took all hands
little rain to keep the Masons going Thomie drew stones
and lumber for the Sill & joice I laid them
23 very Stormy day rain and wind Thomie out
plowed some in the field below the house
they finished the cellar wall and we got
the Sills & joice in so that we laid some boards
24 A drew 3 loads of wood from Bruces
Thomie plowed and finished the field below
the house and began the north half of the Centre field
25 A do in same or gone for greasing I put
the horn Canals & the boat Thom plowed
Mr Hutchison & the Engineer 26 Some rain worked in the house at Cellar dressing
ing it out & other pressings I Thom plowed a little
27 Rev Mr Gloxford preached this morning Mr Garrett at night
28 A & Wallace helped to put up the Studding for the
first snow that remained to white partition over the Cellar wall wet weather
29 A & Thom finished plowing North part of the Centre field
rain began the North half of west field Wallace & me pulled beets
30 rain all day we hauled & grated some of the Kirkpatrick and Canals
31 A & Thom plowed in the North west end part of the day
it rained part Wallace & Mc pulled turnips & Canals
