

25-

January, 1930

1 Wednesday. Rained practically all day. We had company for dinner - Mr. and Mrs. Jim Weaver and Mr. and Mrs. Earl Miller <sup>and Aubrey Lawson</sup> Vernon and Willard had New Year's dinner at Enoch Schneider's.

2 Thursday. Mild and dreary. We butchered a pig here for Geo. Schneider's today. Vernon & Earl Miller went hunting this afternoon but didn't get anything. We heard General J. C. Smuts of South Africa, W. L. M. King and Sir Robert Borden over the radio tonight.

3 Friday. Wonderful morning. Snowed this p.m. Grandma Witzel died last night. There was a short service at the home of her son Henry this afternoon and they took her to her old home at Golden Lake near Ottawa for burial. Walter took 3 horses down to Willard's. Milton Eix went with him.
