This machine being guaranteed as per warranty on the back of this order, I agree to settle for it according to the above mentioned terms, as soon as it shall have been tried and has filled the warranty. I acknowledge to have received a true copy of this Order, Agreement and Warranty.

It is understood between MATTHEW MOODY & SONS and me, that MATTHEW MOODY & SONS will continue to be the owners of the machine for which this order and contract is made, and that I will hold the machine as depositary only until complete payment of the price agreed upon. I further agree to furnish security satisfactory to them at any time if required. If I fail to furnish such security when demanded or in case of the non-payment at maturity of any of the instalments as above, or in case I leave or sell or try to leave or sell the property (or any part thereof) I now own or occupy, or in case I dispose of my movables by sale or otherwise before complete payment of this machine, MATTHEW MOODY & SONS will have the right to retake possession of the machine without any legal formality, and the whole unpaid portion of the price of the machine will immediately become due and payable. If MATTHEW MOODY & SONS for any reason should be obliged to retake possession of the said machine, they will have authority to sell it by either public or private sale, as may seem best to them provided that the price of such sale (after deducting necessary expenses) is deducted from the amount that may still be due by me on the machine. Nothing in the above is to be interpreted in such a manner as to hinder MATTHEW MOODY & SONS from suing immediately to recover the amount of the notes not yet paid, but if they sue and are paid the balance owing, they must return me the net proceeds of the sale of the said machine when they will have found a purchaser for it. I, the depositary, agree to keep the machine in perfect order and will repair it at my expense when necessary; I also agree that any damage happening to the machine through fire or otherwise will be at my expense.

I declare that I am proprietor of *50* acres of land and renter of

County of *Quebec*

The property clause on back must invariably be filled up and signed when ordering Threshing Machines or Hay Presses. Our agents will avoid vexatious delays in shipment of machines by attention to this point.
