

SATURDAY, AUGUST 20, 1870.

We have been throating to-day. A little more than I expected although they told me that they would come to-day. Had some difficulties in getting hands but with the blessing of God succeeded at length. Got the job done about dark.

My life this day has been a wondrous unto me. Never ~~was~~ she has Divine guidance and blessing been more apparent ~~with me~~. I have been beset on every side with difficulties and yet the Lord has delivered me, in the exceeding joy of my poor soul!

SUNDAY, AUGUST 21, 1870.

I went over to the Advent service this morning. Heard a very good discourse on the necessity of Christian perfection.

Our own Dear minister Bro Germain was with us this afternoon and preached from - And now abideth these three Faith, Hope, and Charity, but the greatest of these is Charity. He had a soul stirring discourse some of which I would like to record but cannot do it justice in this little space. We had our beloved Class leader with us again to-day. Captain Mitchell & of course we had a good Class meeting.
