

April

MONDAY, 11

(102-264)

1904

Sawen, wood & dressing sap.

TUESDAY, 12

(103-263)

Boiled down 4 gals. Syrup. ~~Rained~~ Everything covered with snow.

Dry wood is essential to good work. Hemlock & cedar the best.

About 1 cord a day needed 4 ft long.

WEDNESDAY, 13

(104-262)

Took in 19½ gals Syrup on sleighs, Snowed 2 in. last night. Not bad sleeping. Cold wind. could have sold lots more.
