If liable to more than one rate of postage, and insufficiently prepaid, the letter will (provided one full rate of 3 cents be paid) be forwarded to its destination and double the deficiency charged on delivery. Letters mailed at any office for delivery at or from the same office are charged 2 cents per 1 oz., in cities where there is no house to house delivery, the drop letter postage is 1 cent per oz., and must be prepaid; otherwise they are sent to the Dead Letter Office. All postage must be prepaid by Postage Stamps.

The charge for Registration (use Registration Stamp), in addition to the Postage, is as follows, viz:

On Letters to any other place in Canada or British N. America ..	5 cents.
On Letters for the United States	5 "
On Letters for the United Kingdom	5 "
On Parcels, Patterns or Samples, in Canada	5 "
On Book Packets and Newspapers to United Kingdom	5 "

Postmasters when suspecting that enclosures contain valuables, can register and charge fee to recipient.

Both the Postage charge and Registration fee must, in all cases, be prepaid by stamp.

Registered Letter Stamps have been issued of the denominations of 2 and 5 cents, which may be obtained at any Stamp Agency.

Registration Stamps cannot be used in payment of postage, nor can

As Parcels from the United Kingdom will be liable to Canadian Customs duties, and under existing regulations must be examined for the purpose by an Officer of the Customs in the presence of the person addressed, it has been necessary in commencing this Parcel Post with the United Kingdom, to limit its operation for the present in Canada to Parcels addressed to or posted at places where Officers of the Customs are stationed.

Transient Newspapers.

Transient newspapers and periodicals include all newspapers and periodicals posted in Canada, other than Canadian newspapers sent from the office of publication, and British newspapers posted by news agents for regular subscribers in Canada. When addressed to any place within the Dominion, Newfoundland, or the United States, they must be prepaid the following rates by Postage Stamp:—

If weighing less than 1 oz., half cent each.

If weighing over 1 oz., one cent per four oz. or fraction of four oz.

On transient newspapers addressed to the United Kingdom the rate will be one cent per 2 oz.—to be prepaid by Postage Stamp. Canada newspapers posted from the office of publication to subscribers in the United Kingdom—if to be sent in the Mails forwarded via New York or Boston, must be prepaid by Postage Stamp at the transient paper rate of one cent per 2 oz.; but if sent by Canada Packet, such papers may pass, as now, on prepayment by the publisher, at the rate of one cent per pound. All newspapers and periodicals prepaid at the bulk rate of one cent per lb., must be stamped "Prepaid by Publisher," at the Post Office where the newspaper or periodical is mailed. The English Post Office requires each newspaper or periodical to be stamped. If sent in packages the English Post Office declines to accept them.

Patterns and Samples within the Dominion.

Patterns and Samples of Merchandise and Goods for sale, not exceeding 24 oz. in weight, may be posted in Canada, to be forwarded to any place within the Dominion, on prepayment by Postage Stamp of a rate of 1 cent per 4 oz., under the following regulations:

If such rate be not fully prepaid by the stamp affixed, the packet to be rated with the deficient postage, and a fine of 5 cents in addition.

Packages of Samples and Patterns, addressed to any place in Canada, may be registered by affixing thereto a registration stamp of the value of 5 cents in addition to the postage rate, and provided such packet be handed into the Post Office for registration.

Patterns or Samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, &c., which cannot be sent in open covers, may be enclosed in bags of linen, or such like material, fastened in such a manner that they may be readily opened; or in bags entirely closed, provided that they be transparent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

The packet may bear on the outside the address of the sender, in addition to the address of the person for whom it may be intended and also a trade mark or number, and the price of the sample enclosed; inside, there must be no enclosure but the samples or patterns themselves.

The particulars, however, of the trade marks, numbers, and prices may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

Goods sent for sale or in execution of an order, however small the

quantity may be, or any article sent by one private individual to another,

Registration Stamps cannot be used in payment of postage, nor can Postage Stamps be used in payment of Registration fees.

Registration is not an absolute guarantee against the miscarriage or loss of a letter: but a Registered Letter can be traced where an Unregistered Letter cannot, and the posting and delivery or non-delivery can be proven.

Book Post, &c.

A Book Packet may contain any number of separate books, publications, works of literature or art, maps or prints, photographs, daguerreotypes when not on glass, or in frame containing glass; and the books, maps, &c., may be either written, printed or plain, or any mixture of the three, provided that no letter be enclosed or any writing intended to serve the purpose of a letter; and may be either British, Colonial or Foreign. Limit of weight for domestic post, 5 lbs.; for foreign post, 4 lbs. 6 oz. Limit of size, two feet in length, or one foot in width or depth.

Book Packets must be open at *both ends or both sides* and must not contain any letter or sealed inclosure.

The rate on Book Packets between any two places in Canada, and to Newfoundland is 1 cent per 4 oz., which must be prepaid by stamps.

The rate to Great Britain and the United States is 1 cent per 2 oz.

Parcel Post.

The charges on Parcels by the Parcel Post to places within the Dominion, is 6 cents for every 4 oz. or fraction thereof (with 5 cents additional is Registered). No letter must be inclosed; if any discovered, the amount paid will be forfeited, and the Parcel charged at unpaid Letter rates. No Parcel must exceed 5 lbs. in weight, and must be prepaid by stamps.

Eye-glasses and spectacles may be sent by mail when properly put up and prepaid by Parcel Post.

Parcel Post with the United Kingdom.

An arrangement has been entered into with the Post Office of the United Kingdom for a Parcel Post, under which closed Parcels not exceeding 4 lbs. in weight may be posted in the United Kingdom, when addressed for delivery at certain Post Offices in Canada, and may in like manner be posted at those Canadian Post Offices for destinations in the United Kingdom.

The Parcels exchanged with the United Kingdom will pass exclusively on the Weekly Mails conveyed by the Canadian Steamers to and from the St. Lawrence in Summer and Halifax in Winter, and such Parcels cannot be sent *via* New York.

The Parcel Post with the United Kingdom will be governed by the following regulations:—

1. A Parcel must not exceed 4 lbs. in weight.
2. The dimensions of a Parcel must not exceed 2 feet in length by 1 foot in width or depth.
3. A parcel must not contain any explosive, combustible, or dangerous articles, nor any article of a perishable or fragile character, nor liquids or matters likely to injure other Parcels or mail transmissions.
4. All Parcels must be securely and substantially packed and closed.
5. Each Parcel must be plainly directed, and such directions must include the name and full address of the person for whom the Parcel is intended.
6. For each Parcel the sender must fill up a Customs Declaration. On this form the sender will supply an accurate statement of the contents and value of the Parcel, also the address thereof, with signature and place of abode of the sender. The Customs Declaration must be securely affixed by masticage or paste to the Parcel to which it relates.

quantity may be, or any article sent by one private individual to another, which are not actually trade patterns or samples, are not admissible.

Money Orders.

In sending money by mail it is always best to transmit by Money Order, if possible.

Commission on Money Orders.

On Money Orders drawn by any Money Order Office in Canada on any other Money Order Office in the Dominion, the Commission is as follows:

If not exceeding	\$ 4	2 cents.
Over \$ 4, not exceeding	10	5 "
" 10, "	20	10 "
" 20, "	40	20 "
" 40, "	60	30 "
" 60, "	80	40 "
" 80, "	100	50 "

No single Money Order, payable in the Dominion of Canada, can be issued for more than \$100; but as many of \$100 each may be given as the remitter requires.

Fifth Class Matter.

Postage rate one cent per ounce or fraction of an ounce, to be prepaid by postage stamp. Miscellaneous articles of merchandise, including seeds, bulbs, etc., to United States, and generally all matter permitted to pass by mail in Canada, which is not of the nature of a letter, and therefore subject to letter rate of postage, and not entitled to be posted at a lower rate than 5th class under one or the other classes, may pass as 5th class when addressed to any destination within the Dominion or United States. Fifth class matter must be so packed or put up as to be opened to examination of contents and must not exceed 4 pounds in weight, nor 2 feet in length by 1 foot in width or depth. When passing between Canada and the United States it will be subject to Customs regulations if liable to duty. The registration charge on 5th class matter is 5 cents in addition to postage.

Miscellaneous Matter.

Miscellaneous matter, described as under, may pass between places in the Dominion of Canada upon prepayment of a rate of 1 cent per 4 oz. The limit of weight is 4 lbs. The regulations of the British Post Office do not admit of the transmission by mail to the United Kingdom (or other countries beyond the sea) of miscellaneous matter as such; but a great part of the matter referred to under that head may be forwarded to the United Kingdom by Book Post.

On all pamphlets, occasional publications, printed circulars, prices current, hand-bills, exhibitors' entry tickets for Dominion or Provincial Exhibitions, prints, drawings, engravings, lithographs, photographs, when not on glass or in cases containing glass; botanical and entomological specimens, when properly put up, so as to prevent injury to the contents of the mails; sheet music, whether printed or written; the rate of postage is one cent for each four ounces; provided that no letter or other communication intended to serve the purpose of a letter be sent or inclosed in any such package or thing mentioned, and that the same be sent in covers open at the ends or sides, or otherwise so put up as to admit of the contents being, if necessary, easily withdrawn for examination by the officers of the Post Office to ensure compliance with this provision; if inclosed in sealed envelopes notched at the ends or sides, or with the corners cut off, letter rate of postage will be charged; and that the postage rate be prepaid by postage stamp or stamped post bands or wrappers in all cases. Limited weight, 4 lbs.

No packet of miscellaneous matter can be transmitted by mail if it exceed 24 inches in length or 12 inches in width or depth.

Legal and commercial papers generally (including Bank Pass-Books) are liable to *letter rate* of postage, except when sent as parcels by Parcel Post, and the exceptions above given to matters of that class are restricted to the documents specified, such as Deeds and Insurance Policies.

..... Mercantile Law.

PROMISSORY NOTES AND BILLS OF EXCHANGE.

—Must be payable absolutely, and not depend upon a contingency. Three days' grace allowed except when payable upon demand. Can be written either in ink or lead pencil. Notice of dishonour must be sent to all endorsers. Those not notified are released from all liability. Notice must be sent to the correct address of endorser; but if that is not known, notice sent to the place where note or bill purports to be made will be sufficient. Cheques are treated as bills of exchange, and must be presented on the day they are received or on the following day. Notes and bills endorsed in blank are transferable by delivery, the same as if payable to bearer. Notes bear interest during currency only if so stated. The loss of a bill or note does not prevent the collection of it, but if required the holder must give indemnity before the lost note is paid. Notes and bills are payable any time during the day they mature. If no time is mentioned for payment, notes and bills are payable on demand. Notes made on Sunday are void. Notes and bills falling due on Sunday are payable the next day provided it is not a holiday.

LANDLORD AND TENANT.—An agreement for a lease must be in writing; a lease, however, for less than three years can be made verbally. Rent must be due before it can be distrained for. If tenancy continues for a term of years, without any new bargain, it will be as a tenancy from year to year. No notice is required in case of the termination of a lease for a definite time. A full six months' notice, ending with the end of the year, is required to terminate a tenancy from year to year. A monthly tenancy requires a month's notice. A weekly tenancy requires a week's notice to end it. A covenant for renewal does not call for a renewal covenant in the new lease, unless expressly called for. Destruction by fire during the currency of a lease does not release the tenant from payment of rent unless expressly pro-

BILLS OF SALE AND CHATTEL MORTGAGES.

All sales and mortgages of personal property not accompanied by actual, immediate and continued change of possession must be in writing, with an affidavit of *bona fides* in the form required by the Act, and must be filed within five days from date of execution in the office of the Clerk of the County Court of the County where the vendor or mortgagor resides; or if he is not resident in Ontario, where the goods are situated, otherwise they are void as against creditors of vendor or mortgagor and subsequent purchasers or mortgagees in good faith for value. Mortgages to secure endorsements must set out the endorsements, and must be payable within one year. A renewal of chattel mortgage must be filed within thirty days preceding the expiration of one year from date of previous filing, otherwise the mortgage becomes void.

GUARANTEES.—Must be in writing; will be construed strictly; should be distinctly worded, so that no question will arise whether limited or continuing.

FRAUD.—Sometimes criminal proceedings may be instituted for fraud. Fraud is always a ground of relief. It is a fraud to conceal a fraud.

INTEREST.—Where interest is payable and no rate has been agreed upon, the rate allowed is six per cent. Any rate can be contracted for. Interest is in the nature of damages, and it is not allowed upon open accounts, unless it is shewn that there is either an express or implied contract to pay interest. It is advisable to have printed upon bill heads or statements a notice that if the account is not paid when due, interest will be charged. Interest is allowed on overdue bills and notes from the day they become due. Payments are applied first in payment of interest to date, then in reduction of principal. The practice of allow-

municipal corporations for damages, three months. Against sheriffs and bailiffs for acts done in the course of their duties, six months. Part payment of a debt barred by the statute will revive the debt.

EXEMPTIONS FROM SEIZURE UNDER EXECUTION IN ONTARIO.—Wearing apparel of debtor and family, bed and bedding in ordinary use, one stove and pipes, one crane, one pair andirons, one set cooking utensils, one pair tongs and shovel, one table, six chairs, six knives, six forks, six teacups, six saucers, one sugar basin, one milk jug, one teapot, six spoons, all spinning wheels and weaving looms in domestic use, ten vols. books, one axe, one saw, one gun, six traps and fishing net, and all necessary fuel and provisions for debtor and family for thirty days, and not to exceed \$40 in value, one cow, four sheep, two hogs, and food for thirty days, tools and implements to the value of \$60, all materials furnished to mechanics and workmen for construction of building under contract. (No articles exempt from seizure for debt contracted for identical article.) Landlord has preferential claim for *four weeks*, if let by the week; two terms, if let for periods less than a year, but in no case to exceed one year.

ASSIGNMENT.—There is no insolvency law. Assignments are made to trustee for creditors. A clause in assignment giving the trustee the power to carry on trade to realize as a going concern will not vitiate assignment. Trustee is bound to use ordinary business prudence in dealing with estate. Trustee is responsible for fraud or gross misconduct. The trustee's powers are limited to those possessed by the debtor, so he has no power to set aside a preference given by debtor. A fraudulent preference can only be attacked in an action by a creditor. A trustee can be compelled in equity to give an account of his dealings with the estate.

vided for. The landlord is required to look after the roof and outside walls, but the tenant cannot require any defect apparent at the time of the lease to be repaired. Defective drainage, causing injury to life or health, will justify a tenant in leaving.

MASTER AND SERVANT.—A servant is bound to obey all orders of the master in the scope of his employment; a disobedience of orders will justify an immediate dismissal. Both master and servant are entitled to reasonable notice before an engagement is terminated. A servant wrongfully dismissed is only entitled to the actual damage sustained; he must credit the master with any wages earned by him. The master is entitled to recover the damages sustained by reason of a servant deserting his employ.

LEGAL HOLIDAYS.—*In Ontario*—Sundays, New Year's Day, Good Friday, Easter Monday, Queen's Birthday, Christmas Day, Dominion Day, and any day appointed by proclamation for a general fast or thanksgiving. *In Quebec*—Sundays, New Year's Day, Epiphany, Annunciation, Good Friday, Ascension, Corpus Christi, St. Peter's, St. Paul's, All Saints, Conception, Christmas Day, Queen's Birthday, Dominion Day, also any day appointed by proclamation for a general fast or thanksgiving.

CONTRACTS.—Contracts may be either parol or under seal. Parol contracts require a consideration to support them. Contracts for sale of goods over \$40 in value must be in writing or accompanied by part performance, or part payment. A contract may be made by letters and telegrams. Contracts made on Sunday (with a few exceptions) are illegal. Contracts contrary to public policy, or of an immoral character, are illegal. A contract for sale of land must be in writing. To make a good contract the names of the parties, the consideration, and the articles sold or matter agreed upon should clearly appear. Fraud vitiates all contracts.

ing interest on both sides of an account to day of settlement is not correct. Compound interest is not allowed, unless expressly agreed upon. A contract to reduce the rate of interest in case of punctual payment is good, while one to increase the rate in case of default is bad. Mortgages of real estate must shew on their face the rate at which interest is to be calculated.

PRINCIPAL AND AGENT.—Principals are responsible for the acts of their agents. Agency may be either general or limited. An agent must be a third person, not the other contracting party. A subsequent ratification of the acts of an agent will bind the principal. Agent's authority is not revoked till revocation is communicated to him. An agent signing in his own name is not allowed to offer parol evidence to prove that he did not intend to bind himself personally, but parol evidence is admissible to bind his principal. A broker is not entitled to receive payment for goods, while a factor is. A *del credere* agency is where the agent in consideration of larger commission guarantees the price of the goods sold.

PARTNERSHIP.—Each member of a partnership is responsible for the whole amount of the debts of the firm, except in case of special partnership. A special partner is only responsible to the amount of the capital contributed by him, but he cannot take any part in the management of the business. The act of one partner binds all. Partners are bound to keep good faith with each other. Partnership may be either for a term of years or at will. A partnership at will may be dissolved at any time. The death of one partner dissolves the partnership, unless provided for in the articles of co-partnership. The sale by a partner of his interest in the firm also dissolves the partnership. In the absence of express agreement partners share equally.

LIMITATION OF ACTIONS.—On simple contracts, debts and money demands, six years. On contracts under seal, twenty years. For the recovery of land, ten years. Against

MARRIED WOMEN can carry on business, sue and be sued in the same manner as if unmarried. Are entitled to hold property free from debts and control of husband, and can convey away real estate acquired since July, 1884, without husband's concurrence. Are entitled to dower in all real estate owned by husband during the marriage, and in such equitable real estate as the husband may die entitled to.

ARREST.—Arrest for debt has been abolished, but if a debtor is about to leave Ontario with intent to defraud or hinder one or all of his creditors in the recovery of their claims, he may be arrested under a writ of *capias*, and detained until he gives security for the claim. A writ of *ca. sa.* may be obtained after judgment. The writ is only issued upon order of a Judge, and the debt must exceed \$100. A judgment debtor being examined as such, and not making satisfactory answers, may be committed to jail by order of the Judge until he does make satisfactory answers. In the Division Court the Judge may order the debtor to make regular payments on the judgment, and on default may commit him for not obeying the order.

REPLEVIN is used to obtain possession of goods wrongfully detained. Plaintiff must give security to three times the value of the goods before he can obtain them, and must proceed promptly with his action to prove the ownership of the goods.

WILLS.—A will should express the intention of the testator in clear language. It may be drawn by any person. A bequest to a witness is void. A will must be signed by the testator in the presence of two witnesses who would thereby be excluded from taking any benefit under the will, who, at his request, in his presence, and in the presence of each other, should affix their names as witnesses. Charitable bequests are only payable out of pure personal estate; not out of real estate or personality secured upon land.
