FRI. OCT. 28, 1898

Wea.

I rose and attended to
the morning work,
the boys are off to school
I cooked up part of the
green tomatoes, and made
some chili sauce, and
labelled the canned fruit
and put it in the cellar
and baked some pies
I had a very busy day

SATURDAY 29

Wea.

I rose and made the
fire after we had break-
fast - we went to drying
apples, the boys had to
help to take up the rools
the boys and I filled a
straw tick after dinner
I then swept the up stairs
and also down and dusted
I cooked the rest of the green tomatoes
James was up, he brought me a letter
