325 TO COME

**PEPTO-
MANGAN
(GUDE)**

is pleasant to take, and is free from all corrosive action upon the mucous membrane of the stomach. It does not hinder the normal processes of digestion, assimilation and excretion. When administered for a protracted period it does not create the least aversion.

To assure the proper filling of prescriptions, order PEPTO-MANGAN (GUDE) in original bottles. It is never sold in bulk.

Very cold & blustry, snowed
a little just what you could
call snow. George Davis
brought our mail & bread
from Aylmer. Carl Adams
came for his music lesson
he was all home for the
day. Had a letter from
Bertha. I nearly made Helba's
blue serge dress. Maudie's
is not very well
