

SUNDAY, MAY 8, 1870.

I have to thank  
the Lord for glorious  
privileges so long,  
preached as but seldom  
fall to my lot.

This is Mrs. Woolsey's  
Quarterly Board Meeting  
day an occasion at which  
I never before witness-  
ed amongst the In-  
dians. Bro. Woolsey  
preached first, second-  
ly we had Love-feast  
and lastly the Sacrament.  
Many of the Indians  
were very happy in  
giving their experien-  
ces and throughout  
the meeting enjoy-  
ed it gloriously.  
This afternoon we  
count the per old Mrs  
James Ben Peter and brother  
who is 96 years old.

MONDAY, MAY 9, 1870.

We came home  
this forenoon and  
found the roads a  
great deal better.  
Found everything all  
right. Charley was  
ploughing and the  
boy getting out stumps.  
I went to ploughing  
this afternoon with  
all my might in  
order to make up for  
lost time.

Our girl has got into  
the notions of leaving  
us through the insti-  
mentality of <sup>some</sup> dis-  
posed persons. I  
hope, however, that  
in the Lord, she is  
my guide in matters  
of all kinds. I do  
not feel what some  
people do unto me.
