79 DAYS PAST

286 TO COME

Colitis, with Anemic Debility.

An English practitioner, who does not wish his name published, writes as follows: "I received the sample of **Pepto-Mangan (Gude)** and have used it in a case of colitis with anemic debility, and have found it of benefit in improving the general condition of the patient."

Weather

Temp.

Thawed a little but
a cold raw wind. I took the
girls then Maud Thompson
and I went for them. I
settled up with Howell & Wrong
Tried out my fat & Eugene &
made sausage. May McLeod
Niel road home as far as
Mrs Bingham with us. John
went to Kingmill with a
grist. Melba a pair of
rubbers.
