201 DAYS PAST

164 TO COME

After the Expulsion of the Hookworm.

A physician from the hookworm country writes: "In the anemia of weak and delicate children infected with hookworms, I find that, after removing the parasite, an immediate following of the treatment with Pepto-Mangan (Gude) gives very satisfactory results."

Weather

Temp.

Sprinkled a
little Maudie & Nella took
their music lesson. Auntie
& I was home all day. Leots
& Nell were here. Aunt Nell
had her bed & ^{trined}
Maanki was over to Amelia's
Eugene & Learton was over
I rined this morning. ^{the}
Auntie looked over black
currents for the girls to sell.
Had my first laundry lower to
day
Bible & Mariah to
