MON. DEC. 19, 1898

Wea.

I rose and made a fire and after breakfast the boys went to school I put on the wash-water and did the washing and did some scrubbing it is a dull day, and in the evening started to rain and snow so I had to bring in the clothes which was a

Ther.

TUESDAY 20

Wea.

This is a dull morning with some rain the snow has settled quite a bit, but the roads are soft. I am busy today at the ironing, and it keeps me longer as the clothes were very wet James called in evening I wrote a letter to Mary
