

Sat. 9. Margaret walked in Chippawa. I gave her 30¢ & got coal oil. Bologna & 2 loaves of bread she rode up with Emily & Stanley then she & Gordon went with them for dinner for the Eskels back day 10. Today Marjorie & Gordon guarded the cows until noon. Marjorie swept the front room & washed windows yesterday. I parboiled the green tomatoes & put them in vinegar. Made a pie. put a basket of grapes & cooked them. cleaned the barrels & swept the yard. Day day Paul went in Chifton got his bag for this month. I dug 1/2 bushel of potatoes out of one that Marjorie went up in Mrs. Hiers in see about a cow I could not go after the cow for I expected Paul every minute & the supper had to be got. the cows were in the marsh & the youngsters could not get them until Marjorie went down.

Sun 10 beautiful day. I & Mrs. Swartz in Hills all day. only Annie went in church. Marjorie & the youngsters went from here. then she went in ^{Marjorie} Chifton. Archie & Paul went in Chifton drove down. Paul went in from 11. looks like rain on the morning. Marjorie went in to Adams & 27th got 50¢ & 30¢ on look 2 1/2 butter & a peck onions & 5¢ canned fat. home day. I poured at 2 o'clock 12. well look Annie in Sharp. towards night I put floured & when we went in bed it was snowing. we kept the horse & cow in. I churned & canned 3. brought fat of grapes the children guarded the cows until noon. towards night the pigs got out I ve run our legs about off running after them to get them on I run muddy. Marjorie rubbed the horses all good I fed her for the night. Sun 12 everything all covered with snow quite deep.

the trees all loaded down. just a dreadful day half snow. & rain & at night sharp. Reisinger says it lightened when Archie & Billa started from there kept the cattle & horse on all day & in dark you could scarcely see anything. I canned the green tomatoes & Marjorie baked bread I put another basket of grapes & cooked the pulp. Wed 13 the snow still hanging on & more coming such a dark day a little sun. Marjorie baked bread Paul & Frank Tuft called for Paul rubber boots but Stanley was down & got them we got 10 eggs a day over I churned for our selves & canned the grapes I cooked yesterday Marjorie made a shirt for Gordon & ran out of Pauls.

Thurs 14 drizzled time but the snow went quite a bit of sun. I canned up the plums Emily gave us 3 far. I filled the last of the grapes. Marjorie mended Margaret's dress. she children got quite a lot of hickory nuts. Mary Reisinger brought the onions. Archie went after his dog & brought him home. Friday 15 sunshiny most of the day but cold wind. Archie started in plough their garden field. Billa went in Buffalo. the children went down after some hickory nuts they have a nice lot now. they stayed until noon in the afternoon between the three of them they guarded the cows in the afternoon. I canned a big jar of grapes & churned. worked the butter. I weighed the shredded wheat it weighed 100 & 1. Marjorie working in the forenoon on Reids jumper the blue one to match the blue skirt that Hattie made.
