

Dear Mother

I am writing you from the
city of New York
I am well and hope these few lines
will find you the same.

The weather is very soft & fine. I am
very much interested in the
great service which is being
performed in this country & believe
it will be very successful.

Robert Smith and his father came up
to see me. They are all well.

I went to bed with them and her mother
and mother-in-law and they all
went to bed.

I came home from the city this afternoon
and am quite tired by reason of the
travelling.

Everything is going on as before & I hope
the cause will be successful in the
end.

I am sure to hear from you soon. I am
very much interested in the
cause and hope to hear from you soon.
