

1883

1883
Oct 17 Dan plowed in the East middle field & got in
the Beets and in the Beans in the Barn yard front

the birds and in the grass we
we picked up and drove of the stones to the east
ridges on the south end of it. with the first there was

Some very large ones we had the Stone boat, few doing

19. The road to the east side of the ridge is
retained. The road begins to show the north side of it.

10. *Quercus floribunda* in the same field. It is
the same as *Q. floribunda* mentioned above.

9th Nov. a student preached this morning he
sings some S. P. C. Carols took him to the school

22 Harris planning to come for the leaves it has
now displaying almost flat

23 we drew in two bags of the corn & put it on the
burn floor in the morning and one ^{bag} to this is
planning now I cut and the cows every morn^{ing}

24 Dan is plowing Timent to the River as a
fence viewer to view a fence between Charles
Shapmon & Finneron Cross. W^m Robinson & Mrs
Inchies were the other viewers.

25 Dan pleased. I cut some corn for the cows
x finished drying the parness there are poor

26 Jan is plowing

[Faint handwritten notes at the bottom of the page]

Mr. Hill passed this morning at 11:00 am
the morning before last in the morning.

2. 3. finished drawing of a small
of a small type is now done.

1. *From the ...*
... ..
... ..
... ..

2. Some limited plowing & harrowing and
cleaning and the whole of the winter
time from the Spring use and at

The State's right to regulate commerce
