The last two weeks have been
full of events Bryan has been
very sick and many of us
were called to what we supposed
to be his death bed but God in
his providence has ordained
it otherwise it is a great thing
and mercy that he has been
spared to his little ones a
while longer but he was
not afraid to go. Death
had no terror to him he
bid them all a long farewell
when he was so willing we could

not wish him to stay but it is a
pleasure to think he is getting better

Farewell

When eyes are beaming
What never tongue can tell
When tears are streaming
From their crystal cell
When hands are linked that dread to part
And heart is not by throbbing heart
O! bitter bitter is the smart
Of them that bid farewell
When hope is hidden
That bane of bliss would tell
And love forbidden
I the breast to dwell
When fettered by a viewless chain
We turn and gaze and turn again
Oh! death were merry to the pain
Of them that bid farewell
