

March Saturday 5 1927

March Tuesday 8 1927
Arrived back and took up my new abode
at Hazel Grove just before dinner time.
Afternoon had our pictures taken & changed
my clothes and went out to help load up a load
of turnips. Left my house at Rushman when
Jean and I went to Galt and helped present
the play "Robert and Mary" at Wesley United
Church.

Sunday 6

Wednesday 9

Helped milk in the morning for the
first time on Calamity Farm. Dan
took the last load of turnips and the
price was thirty cents per bushel.
Drove Jean and Rou up home for a while in
the afternoon to see Mother about the
reception.

Monday 7

Dad met us in Paris at the station after
our train was 37 minutes late and we
had a dark and muddy drive home. Jean
and I spent our first whole night together
at my home and had a real alley
as there wasn't any noise to bother
us.

Thursday 10

Jean and I shipped the cream in the
morning and did some shopping while
we were in town and were home by noon.
Opened a joint account at the Bank
of Toronto and deposited \$125.00
