

May 20th. Fine + warm

hoing + cultivating

May 21st. Cooler today

more hoing Raspberries
planted cucumbers
seeds. Very cold
tonight

May 22nd. Cool again

today. Hoing etc.

Yesterday Sunday
was cool. was home
all day.

May 24th. Warm again

hoing new Straw-

berries. Went over

to La Salle Park.

after supper. a big

crowd there.

May 25th Very warm

started planting

tomatoes. went to

Hamilton about 4 o'clock

- caught in a big

thunder shower. lots

of rain + hail. had

another big storm about

5 o'clock in Hamilton

and another at 6 PM

just as we got home

got 9 bus coats to

sow at 50¢ bushel

May 26th. another big storm

in the night. cloudy

+ wet today. planted

a few tomatoes

after dinner. raining

again tonight.
