21 Sunday. Beautiful day. Walter, Ella & Vernon took Grandpa and Grandma Maurer along and attended the Diamond Jubilee Services at Elmira. Dr. Epp of Cleveland was the speaker and the Duphens Male Chorus of Kitchener rendered the music in the afternoon. We had our dinner at Alvin Allegier's and came home for tea. Helen Hebel came up with us for tea.

22 Monday. Wonderful warm day. Vernon plowed all day. Walter & Ella went to Kitchener today and had dinner and supper at Edith's. Tonight we brought Mrs. Louis Miller home with us and attended the lecture "Oriental Thrills" given by Rev. Epp at the Elmira Evangelical Church. Vernon went down with Willard Schwandt and came home with us.
