

22 To take the way go to the field this morning with the  
beading the rest of them what was left there we  
~~there~~<sup>the good</sup> loaded & carried them into the Seller there  
was sixteen baskets of them fine dogs.

23 To dig potatoes in the little field at the milk  
shed he dug baskets and carried them into the  
cellar here they are very poor

24 To cut wood for the steam thrashers we expect  
it there on Sunday I put the beans in the barn  
Rev. W. Millard preached this evening

26 The Warner Boy came at noon with the net trash  
and thrashed the wheat we had 80 bushel of wheat  
altogether they then over 100 bushel oats

27 they finished this forenoon before 10 o'clock and went to the Latimers we had 353 bushel <sup>of</sup> peas and barley I paid them \$10.25. The young of John

his boy J. Capland & his man 2 of Bruce's boys  
J. Do Lattimer. helped there was 3 of the Harbors  
I went to help Lattimer this afternoon

28. I and me cleaned up 18 bushel of Spring & fall wheat it was the mixer of the floor in the thrash.

ing and we filled 5 bags oats peas & wheat  
and put the chaff and straw of the floor into  
them - I cut off 3 off the side boards & put a  
lot of it into the box

29 To Philo and me got in all straw into the barn  
This forenoon and we filled 6 more bags  
# 1 That is 11 bags of feed 5 of Spring 1/2 he

the feed that is 11 bags of  
of fall wheat for a crack so and we went to  
mill this afternoon Stopped at Margaret's all night  
the morning they had been

30 we went to the Mill this morning and  
the belt & we did not see it till two o'clock  
I came home to get his dinner at the

we then came home  
I got mine. J. H. Lusk
