275 DAYS PAST

~~SUNDAY~~

91 TO COME

TUESDAY

Dec. 3, 1906.

Dr. D. Enrique L. Abogado, Editor "Cronica Médica Mexicana," Mexico City, Mexico, says:

"I have prescribed your Pepto-Mangan (Gude), and obtained the best therapeutical effects, and I have the conviction, the thorough conviction, that it is one of the best preparations in our modern pharmacology."

Rained some, I went
to ayshur & took the
girls & went for them
got some peaches & did
them up. did some
more pears
