

Wednesday, February 25

- June 30th Borrowed D. McKersons cultivator for the mangels.
- 21st Sowed an acre of turnips also some squash and sweet corn. Finished cutting rye and weeds out of the wheat.
- 22nd Started to cultivate corn. Finished turning mangels.
- 23rd Miss Grier went with me to Brantford, when I went to get the supplies for the Picnic.
- 24th Held our annual S.S. Picnic on the lawn, on account of a heavy rain and thunder storm so we could not go to the Lake, it cleared however and we had a good time with races etc.
- 25th Went to Ethel Crojers for tea and to spend the evening.
- 26th Started to cut Lucerne on north side hill.
- 27th Went to W. Helmans to get a hay-tedder. Went to Paris at night to hear Miss F. Nickel speak on her experiences of nursing in France, also a splendid organ recital.
- 28th Did road-work with the grader.
- 29th Drew in first load of hay.
- July 1st A very fine but warm day. Drew in Lucerne in afternoon.
- 4th Dick Willetts came to herd cows. Went to Glen in afternoon to get a new tongue for the mower. Finished drawing hay off north hill. Ten loads. ^{5th} Bob & Ethel's wedding day.
- 7th Finished drawing Lucerne off field next Dalgells 3 loads off hill & 3½ loads by barn.
- 8th Drew two loads of hay (timothy & clover) to cement works.
