

Thursday, July 28

Weather - Cloudy at first then becoming nice

Churned 47 lbs butter.

harvesting all day long.

Della came up & helped me, then she went home, to go to Marguerite's for a while.

shut up some young roosters to pick.

Friday, July 29

weather - a lovely harvest day.

men harvesting all day, Douglas ploughing

Dorothy came up to help with work.

John here for eggs at night.
