

1888

July 1 Revd Mr Millard Preached at Fairfax & Sand Bar

2 ~~Reed and me put in stones and cherted stones~~
on the North side of the church and is helping
to fix for the Strabers, perished in the Fairground

3 Gordon Harlip & me put in the iron rods in
the stones North side of the church

4 Gordon and me put in the rest of the rods
on west & south side & drove nails around
the rods which made them solid so that
when you would strike them with the hammer
they would ring

5 Revd Mr Millard Lake Shields and me took
the stones and rubbish that ^{was} around the church
put what was good any thing in wood shed stones back
of the church and burned the rest

X 6 Ad began to mow this morning and mowed
the orchard fine warm day he mowed the corn

7 Ad cut between the trees and I helped raked
he with chowley and took it in there was about half
a load

8 Revd Dr Smith of Kingston opened the
by preaching at 11 o'clock & at 12 he
preached on 1688 the Organ men filled the
middle seats of the church and the rest of
it walked to the door and a number out
side

the Revd Mr Greaser of Hamanoque preached
at night to a large congregation the 3 collections were
over \$70

9 Ad mowed in the North field where the daisies
is that is all he cut there dry time

James helping W. & Cornett at the church fence
10 Ad raked and drew 2 loads of hay from
the North field he cut the little field back
of the old Barn and had a good half load

11 Ad drew some old rails for Wallace of who
the railroad moved onto him I am helping him

12 Ad helped to draw in Bruce's hay at church fence

13 Ad helped Bruce to draw in again this
forenoon his New Mower come this
afternoon he mowed some in the field
South of the house it works well
