Exceedingly cold pretty stormy day. I took down chop to Curless in a.m. In P.M. Mrs Quarric came up told us she was out of coal none to be got in town on account of railroad blockades. I drove up to Bob Sindale got kind of bag coal from him for her took it and her down then went down town got axe handle at Dan Webster's 25cts. Stuff got at Russells on Friday and noted 1.88
