

May, 1930

4 Sunday. Fine warm day.

We all went to S. S. and Church this morning and had company for dinner. Mr. and Mrs. Geo. Bolender, Elmer Marie and Edna Miller. After supper Walter and Ella went down to Grandpa Maurer's and Vernon went to League.

5 Monday. Warm day.

Ella & Walter did the washing and Vernon was plowing & cultivating. They finished sowing the field above the orchard. Ella planted some dahlias. Callen - Eph Snyder, Angus & Lloyd, W. B. Kingie and Geo. Moore. J. B. Brown was here for dinner.

6 Tuesday. Hot and sultry.

The men cultivated the garden this morning and Walter dug the large bed this afternoon. Vernon was cultivating. Ella planted the early potatoes and gladiolus and mowed the lawn. Walter & Vernon went to Alma tonight.
